

## CAULIFLOWER CARDS

Thursday 23<sup>rd</sup> September 2021

Dear Parents / Carers,

Over the past couple of weeks your child has designed a Christmas card. What they have created has been put onto an order form that you will be able to collect from the cabin over next week. Due to the number of children in school & nursery we will have different classes' work out each day.

This artwork can be made into Christmas cards, wrapping paper, gift tags and put onto mugs. If you want to order anything you will need to complete the order form and return it to school by Friday 8<sup>th</sup> October.

These make great Christmas gifts for family members, and are a lovely memory for you as well. The school make some commission on orders so it is also a good way to support our school.

You can either return the completed order form with cash, or return the order form with the information completed and it will be charged to the app.

If you do not return the order form we are unable to order anything, and if you have not paid for your order via the app by the 8<sup>th</sup> October we will not process the order.

You will have the only copy of your child's artwork so please keep it safe when you collect it.
