Dear Headteacher

### **PRIMARY SCHOOL BASED FLU IMMUNISATION SESSIONS**

We are writing to you in preparation for the 2021 children's Flu vaccination programme

This year we will be continuing with the e-consent for the Flu vaccinations due to start October 2021. The Flu nasal spray will be offered to all children in **Reception, Year 1, 2, 3, 4, 5 and 6 when they return to school in September 2021** including any children who have been excluded.

Please circulate via email/text/newsletter/internet page the information for parents which you will find on page 2 of this email. **IF YOU DO NOT HAVE ANY OF THESE FACILITIES PLEASE CONTACT US VIA EMAIL (ABOVE) SO THAT WE CAN PROVIDE AN ALTERNATIVE WAY OF CONTACTING PARENTS/CARERS.**

The date for the immunisation session is below:

**DATE: 05 November 2021**

Where possible could you have the following available for the team on the day to ensure the smooth running of the session:

- A member of school staff to maintain the order and discipline of the pupils.
- A room of sufficient size to accommodate the Immunisation Team, with chairs and tables for the nurses and pupils. The team may consist of between two and six members of staff, depending on the size of the cohort.
- Car parking facilities for the day, or at least provision to drop off equipment.
- Internet access.

The Immunisation Team will aim to complete the programme with the minimum of disruption to the normal running of the school.

*If safe practice cannot be maintained sessions may be cancelled without notice.*

Please do not hesitate to contact the Immunisation Team via the contact details at the top of this letter should you have any queries regarding the arrangements for the vaccination programme.

Thank you in anticipation of your acknowledgement and support.

Yours sincerely

**Immunisation Team**

**Please send the information below to parents.**

Dear Parents/Carers

For the school year starting September 2021 we will be continuing with the e-consent for the Flu Programme. This year we will be offering the Nasal Flu vaccination to children in **Reception, Year 1, 2, 3, 4, 5, and 6**. **When completing the e-consent please state the year group your child will be in at the beginning of the school year September 2021 NOT their current year group.**

Please visit <https://www.derbyshireandcityimms.co.uk/Forms/Flu> to complete the consent form. The option to consent or decline the vaccination is at the end of the questionnaire so please complete even if you do not want your child to have the vaccination.

If you wish to decline the Flu spray due to the porcine element we are now able to offer an alternative injectable Flu vaccine that does not contain porcine. Please complete the consent form as a decline due to vaccine ingredients and we will then contact you to arrange vaccination. For more information please contact the team as below.

Your unique school code for **Tibshelf Infant and Nursery School** is **DD112640**

For more information about the vaccination please visit our website:
