

Dear Parents/Carers,

All parents/carers of children in school will have the opportunity to either have a face to face socially distanced meeting with their child's class teacher or a telephone call meeting. For personal reasons not all teachers are able to offer face to face meetings, and I hope you will appreciate this, just as we will appreciate your own personal circumstances for not wanting to come into school. These are difficult times so hopefully we can work together. There will be different arrangements depending on which class your child is in so please read the information below carefully.

Parents of children in nursery whose children are moving into school in September will have the opportunity to meet with Mrs. Alton in Summer Term 2.

Face to face meetings will be strictly timed to ensure social distancing is maintained and to avoid any waiting around. Staff and parents/carers will be required to wear face coverings and only one parent/carer will be allowed. **Children will not be allowed to attend meetings.** Parents/carers will need to wait outside and are asked to arrive just before their allotted time. Your child's class teacher will come to the door to welcome you into school at your allotted time. Parents/carers of children in FS2 should wait outside the bottom front door, parents/carers of children in Year 1 should wait outside the main front door, and Year 2 parents should wait outside the playground doors (please come through the cabin).

Telephone meetings will be arranged at mutually convenient times between parents/carers and your child's class teacher. If you would like a telephone meeting please click the link below, and your child's class teacher will arrange a time to speak to you.

TELEPHONE MEETING LINK

If your child is in Year 1 or Year 2, irrespective of whether you have a face to face meeting or a telephone meeting, you will be able to take their books home to look at before your meeting.

Face to face parent meetings will be offered for:

Parrots & Penguins on Tuesday 20th or Wednesday 21st April.

Please click the link below if your child is in the **PARROT** class.

This is the first time we have held parent/carer meetings in this way and I have needed to consider staff well-being and safety as well as that of parents/carers. Hopefully the arrangements are clear and things will run smoothly, but if you have any questions please ask.

Thanks,

Zoë
