

Tuesday 14th September 2021

Dear Parents / Carers,

We are now ready to release our new communication, online booking and payment system. Your feedback is vital so we are able to improve and update our systems continuously.

All messages, breakfast club bookings, after school care bookings, after school clubs and payments can be made via the app.

The app is called **School Gateway**. You can download the app through the App Store on iOS or through the Google Play store for Android. You can also log on from any PC or laptop.

From now we are encouraging all parents to communicate with us using the app, rather than through Teachers2Parents. The old text messaging system will cease at the end of this term.

If you have already made a payment via Cash for this term then this has been entered onto the system. If you have made a payment via BACS, use of childcare voucher or Tax Free childcare vouchers, these will be entered once we have received clearance.

You can still continue to pay via cash and use childcare vouchers. Any parents currently using BACS payments, please now use the School Gateway app to pay.

To gain access to your account we have created a link between parents and your child on the system. That means the details we currently hold for you which include your mobile and email address are now stored on the School Gateway system. This will verify it is you and that you authority to access your account. We are able to add Grandparents on or any other relatives to the system but they will only get general communication from us and will not be able to access any club bookings or payments.

If you are struggling to access the system please contact me and we will assist you in setting this up.

Breakfast Club, School Care and School Clubs

Breakfast club and School care have been separated out into three different sections. You must book onto each section if you wish your child to attend. You must book on first before paying. If there are no available spaces, this means that the club is already full.

- Breakfast Club
- After School care 3-4pm
- After School care 4-5pm

This also applies to School Clubs. You must book on first before paying. If there are no available spaces, this means that the club is already full.

School Uniform

You will be able to pay for school uniform through the app. However you must place an order first through our school website and we will put on a payment for you to pay and let you know once it is there.

A full guide can be found in this link:

[Parents Guide 2021](#)

Many thanks,

Chris
